

Guide to swe Membership

Georgia Tech SWE events are open to all students on campus and do not require National SWE membership; however, as a SWE member, you can participate more actively in the organization at a school and national level.

Eligibility

- Open to individuals of all genders.
- Must be a college student pursuing a STEM degree and not employed full time in an engineering position.
- While the membership year follows the SWE fiscal calendar (July 1 to June 30), individuals can join anytime.

What's in it for me?

Within GT-SWE

- Apply for executive board and chair positions
- Apply to attend Annual Conference and WE Local Conference
- Vote in annual elections
- Be eligible for GT-SWE scholarships
- Apply to attend Holiday Dinner and Awards Banquet
- Receive \$3 reimbursement for any coffee/tea drink on campus during finals

National Level

- Eligibility for scholarships. More than \$800,000 is awarded each year.
- SWE Career Center for internship and full-time employment search and career planning.
- Networking opportunities with practicing women engineers and other collegiates.
- An opportunity to develop your leadership and management skills.
- Regularly scheduled meetings that allow you to get advice from fellow members on everything from time management to graduate schools, all while making lifelong friendships.
- Discounted registration to SWE Annual and Local Conferences.
- Professional development seminars.
- Live professional development webinars that are also available as replays.
- Annual subscription to the award-winning SWE Magazine.
