SWE Membership Join Instructions

Tip: When selecting membership level, we strongly recommend Collegiate 2 Career (C2C). If you have two or more years of undergraduate education left, it is the best deal.

Instructions to Renew

- Log in to the SWE Member Portal if you already have an account; if not, register for one here.
- You’ll be brought to your portal homepage that should say “My Information” at the top.
- Select “Join SWE Here” in the upper right corner of the portal’s banner (circled in red in the screenshot below).

• Input all the necessary mailing and contact information. Select “Next”.
• Input all necessary demographic and communication preference information. Ensure that you indicate in the “Membership Category” field that you are either an Undergraduate or Graduate student (highlighted below); this allows for the appropriate membership types to appear later on for you to select and sign up for.
• Select “Next”.
